Québec City, June 8, 2026 — Loisirs-Action Val-Bélair is proud to announce the return of **Bel Air de Fête 2026**. Presented by Desjardins in collaboration with the City of Québec, this highly anticipated summer event is Val-Belair premier community celebration. This year's edition promises a vibrant and memorable day for all!

Held at Parc de La Chanterelle, the event will feature a diverse and inclusive program designed for all ages. Families will enjoy free entertainment and activities throughout the day. Visitors will have access to several inflatable attractions, while children can participate in circus workshops, arts and crafts activities, face painting, and balloon sculpting. A dedicated early childhood area will also welcome young children and their parents. Among the day's featured attractions, visitors will be able to explore a vintage vehicle exhibition presented by *Les belles autos d'hier*. In addition, a mobile museum and the Arcade Aventure booth (for ages 12 and up) will be on site. A special youth show will also be presented during the day. Food vendors will be available throughout the event, along with a water refill station for reusable bottles. The evening will culminate with a major musical performance on the main stage featuring Dan Daraïche and Guylaine Tanguay, followed by a spectacular fireworks display lighting up the skies over Val-Bélair.
